Message...

Education is not the learning of facts, but the training of mind to think. The beautiful thing about it is – no one can take it away from you. Education is the powerful instrument which you can use to change the world.

John Dewey observes: “Education is not preparation for life, it is life itself”. Education breeds confidence, hope and peace. It is passport to the better future. What I suggest is a student should not restrict her or him within the confines of a text. Rather he or she should always seek to extend the learning to his environment and society. This can only be the fundamental reward of education.

The pandemic that had caused havoc in the world for over two years has been defeated by the resilience of the thinking and rational man. Things have turned to normal. Offline education, which was a far cry in those difficult days is an ordinary routine, now. A fresher and all the students can once again become part of the college milieu with new enthusiasm.

The institution you are seeking admission to, has a glorious history. It caters effectively to both the academic and extra-academic aspects of learning of students. Inculcating values among students and endowing them with skills for a suitable and secure position in society, has been one of the distinctive attributes of our institution.

I welcome you to the college for your academic, intellectual and emotional growth.

Wish you all the best.

Adv. Chandrakantbhai Thakar

Message ...

A leader observes: “The paradox of our wired world is that as we become more connected electronically, we become less connected emotionally.” How true it is!

Dear students, it is a fact that we spend hours on internet, on social media. We have forgotten the importance of old-fashioned conversation. We have lost sight of the importance of the human touch. The notions which the electronic media and the programs like Reality TV are putting across, are seldom nice, noble and decent for a young and impressionable mind. The element of healthy learning seems to be glaringly absent in this so-called connected world.

It is high time, I believe, a student needs to be aware of such distractions. S/He should focus on her/his habits and think about improvements on daily basis. Even a tiny improvement in one's habit on daily basis can make astounding difference over time. Always stand for your best, and commit yourself to excellence. Have better sense of your priorities and of what you need to focus on.

I welcome you to our institution known for its sound infrastructure and proficient teachers. The alumni of our institution are known to have made their impact in social, economic and political fields. We take pride that our institution is committed to imparting both skill-based and value-based learning to students. Being part of the college, I am sure, will definitely help you in the encouragement of your progress and growth.

Wishing you all the luck in the world.

विद्यापीठ गीत

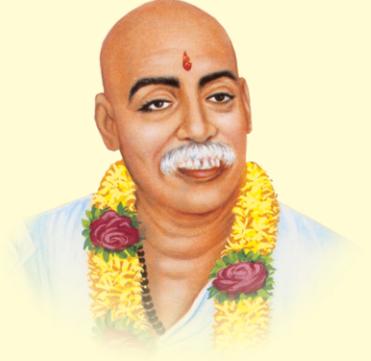

या भारतात बंधुभाव नित्य वसू दे ।
दे वरची असा दे ।
हे सर्व पंथ-संप्रदाय एक दिसू दे ।
मतभेद नसू दे ॥१॥

नांदोत सुखे गरिब-अमिर एक मतानी ।
मंग हिंदू असो, ख्रिश्चन, वा हो इस्लामी ।
'स्वातंत्र्यसुखा' या सकलांमाजि वसू दे ।
दे वरची असा दे ॥१॥

सकळांस कळो, 'मानवता, राष्ट्रभावना' ।
हो सर्वस्थळी मिळूनि 'समुदाय-प्रार्थना' ।
उद्योगि तरुण वीर शीलवान दिसू दे ।
दे वरची असा दे ॥२॥

हा जातिभाव विसरूनिया एक हो आम्ही ।
अस्पृश्यता समूळ नष्ट हो जगातुनी ।
खळ निंदका मनीहि 'सत्य न्याय' वसू दे ।
दे वरची असा दे ॥३॥

सौंदर्य रमो घर-घरांत स्वर्गी ज्यीपरी ।
ही नष्ट होऊ दे विपत्ति, भीती बोहरी ।
तुकडयास सदासर्वदा सेवेत कसू दे ।
दे वरची असा दे ॥४॥
